PIETRE DA RICAMO

Le Pietre da Ricamo sono elementi in cristallo che possono essere cuciti a mano o a macchina su qualsiasi tipo di tessuti o accessori. Possono essere utilizzate per scopi decorativi o raffinati ricami. Lochrosen sono cristalli con un solo foro.

SEW-ON STONES

Sew-on Stones are loose crystal elements that can be sewn by hand or machine onto any type of textiles or accessories. Sew-on Stones come in two - or three-hole varieties and can be used for a range of decorative purposes or fine embroidery. Lochrosen are crystals with just one hole.
